**LIST OF THE APPROVED WATER & SANITATION SITES FOR DEVELOPMENT FY 2021/2022-  
VOTE 597**

This letter serves to inform all the stakeholders that following the approval of the Revenue and Expenditure Budget for the FY 2021/2022. Part of the budget was earmarked to provide water and sanitation service in term of:-

- i) *Drill fourteen (13No.) new deep boreholes District wide,*
- ii) *Rehabilitate eight (10No.) broken down water supply facilities whose costs were beyond the capacity of the beneficiary communities,*
- iii) *Construct three (02No.) of Valley tanks – Water for Production facilities,*
- iv) *Construct a lined Public VIP latrine in Wattuba TC as mean to promote sanitation in RGC and urban areas.*

However, some of the initial activities referred to as software had already commenced in the targeted beneficiary communities in which all stakeholders should be aware and participate to mobilize and sensitize.

And secondly, the procurement process for all contractual services are on-going and as soon as contracts are signed, the procured Contractors will be accordingly introduced to you.

For any enquiries please call the undersigned person and the District Water Officer on

**Mobile Telel: 0772 515 900** and Copies of the financial proposal can be picked from the PDU at District

**Marion Pamela Tukahirirwa**
